Queensland Launch of "Doing Well by Doing Good"

Queensland Involvement in Agricultural Research for Development

Dr Nick Austin, Chief Executive, Australian Centre for International Agricultural Research

PANEL SESSION: Why Chase a Career in International Agricultural Research?
Moderated by Dr Denis Blight AO, Chief Executive, Crawford Fund
A panel of young and not-so-young scientists on their varied study and career experiences in agriculture and hopes for the future including:

- **Dr Bruce Pengelly**
Honorary Fellow, CSIRO - our 'older' researcher with extensive international experience
- **Dr Lee Hickey**
Research Fellow, QAAFI – who has recently experienced a new scientific breakthrough and hit the international stage
- **Dr Diane Mayberry**
Researchers for Agriculture in International Development (RAID) – a 2010 Crawford Fund conference scholar who's setting up a network for young agriculturists with an interest in international development

- **Mr Stuart Irvine-Brown**
PhD research scholar, Sustainable Minerals Institute, UQ - a 2013 Crawford Conference Scholar whose work sits between mining and agriculture
- **Ms Bianca Das**
Masters research scholar, School of Agriculture & Food Sciences, UQ – who founded a young soil scientists' networking group and has volunteered in rural India

Engaging with the Queensland Committee
Dr Kep Coughlan, Coordinator, Crawford Fund Queensland Committee

Networking Reception
